

KUSHANI WITHANAGE

ACADEMIC DEPARTMENT HEAD & LECTURER
INSTITUTE OF COMPUTER ENGINEERING TECHNOLOGY
070 3859852 | dhanushikakwk@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

A dynamic and results-oriented academic leader with over three years of progressive experience in educational management, curriculum development, and student mentorship within the software engineering domain. Proven ability to lead academic departments, enhance student engagement through innovative projects, and manage the complete academic lifecycle for over 1500 students. Seeking to leverage a strong background in technology and education to excel in a Master of Science program.

PROFESSIONAL EXPERIENCE

Academic Department Head | Institute of Computer Engineering Technology *Jan 2024 - Present*

- Direct a team of 10+ lecturers and instructors, overseeing all academic functions for the software engineering department.
- Led the design, review, and modernization of the curriculum to align with current industry standards, impacting numerous student batches across Certificate, Diploma, and Higher Diploma programs.
- Manage the academic progress and support systems for a student body of over 1500, significantly improving student outcomes and satisfaction.
- Evaluated student proficiency and industry readiness by conducting viva examinations, academic assessments, and professional selection tests.
- Designed and implemented faculty development programs focused on upgrading instructional skills, curriculum delivery, and knowledge of current industry trends.

Lecturer | Institute of Computer Engineering Technology *Jul 2023 - Present*

- Delivered comprehensive lectures and developed course materials for core modules including Software Engineering, Object-Oriented Analysis and Design (OOAD), UI/UX, Programming Fundamentals (PRF), Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), incorporating foundational web technologies and modern, industry-standard software frameworks.
- Responsible for creating examination papers and conducting viva voce assessments.

Assistant Lecturer | Institute of Computer Engineering Technology *Jan 2023 – Jun 2023*

- Provided critical support for advanced courseworks, assisting in assignment development and conducting supplementary lectures.

Associate QA Automation Engineer E-Green	<i>Jan 2022 – Dec 2022</i>
- Designed, developed, and maintained robust automated test scripts using Selenium WebDriver and Java/Python to ensure software quality and adherence to specifications. - Executed functional, regression, and performance tests within a CI/CD pipeline using tools like Jenkins. - Collaborated with development teams in an Agile environment to identify, document, and resolve bugs using tracking systems like JIRA. - Developed and executed test cases and test plans using TestRail and contributed to the overall test automation framework.	
Trainee QA Automation Engineer E-Green	<i>Jan 2021 - Dec 2021</i>
Gained hands-on experience in quality assurance methodologies, contributing to test case execution, learning automation tools, and participating in the software development lifecycle.	
Private Tutor (Part-Time) Shilpa Institute	<i>Jan 2021 - Mar 2023</i>
Taught ICT to O/L students, successfully guiding over 150 individuals and small groups to achieve their academic goals.	

EDUCATION

HIGHER DIPLOMA IN INFORMATION TECHNOLOGY (65 Credits)	<i>July 2025</i>
University of Colombo School of Computing (UCSC)	
Key Modules: Software Engineering & Agile Methodologies, Data Structures & Algorithms, Object-Oriented Analysis & Design (OOAD), Enterprise Application Development, Full-Stack Web Development, Database Management Systems, Computer Networks and Mathematics for Computing	
<i>All examinations completed; transcript pending (Expected October 2025).</i>	
ISTQB® Certified Tester - Foundation Level (CTFL)	
<i>Currently pursuing (Exam scheduled for October 2025)</i>	
Diploma in Digital Marketing	<i>Jan 2024 - Jan 2023</i>
Sri Lanka Institute of Marketing (SLIM)	
Diploma in Software Engineering	<i>Jan 2023 - July 2022</i>
Institute of Java and Software Engineering (IJSE)	
Certificate in Java Application Development Using JavaSE	<i>2020</i>
University of Colombo School of Computing (UCSC)	
G.C.E. Advanced Level (Maths Stream)	<i>2019</i>
Sri Sumangala Balika Vidyalaya - Panadura	
- Results: Combined Maths (C), Physics (B), Chemistry (B) - District Rank: 175	
G.C.E. Ordinary Level	<i>2015</i>
Sri Sumangala Balika Vidyalaya - Panadura	
Results: 8 A's, 1 B	

PROFESSIONAL CERTIFICATIONS

Selenium WebDriver with Java - Basics to Advanced + Frameworks (Udemy)

Ultimate AWS Certified AI Practitioner AIF-C01 (Udemy)

Ultimate AWS Certified Solutions Architect Associate 2025 (Udemy)

Certificate in Digital Marketing (CDM) | Sri Lanka Institute of Marketing (SLIM) | Merit Pass, Feb 2024

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, JavaScript, SQL
- **Frameworks & Technologies:** ReactJS, Spring Boot, Selenium WebDriver, TestNG
- **Databases:** MySQL
- **Testing Tools:** Selenium WebDriver, Cypress, TestNG, JUnit, Cucumber, Postman
- **Cloud:** AWS
- **Core Concepts:** Software Engineering, OOAD, OOP, DSA

SCHOOL ACHIEVEMENTS & LEADERSHIP

Leadership Positions

- Senior Prefect - Demonstrated exceptional leadership and organizational skills
- Junior Prefect - Recognized with Best Performance Award for outstanding service

Academic Excellence

- Class Prize Winner - 2014 and 2015
- Widunena Abhiman Award - 2015 for Outstanding O/L Results

Creative & Cultural Achievements

- Creative Writing: Multiple district-level recognitions
 - 2014: Science Day Creative Writing - 3rd Place
 - Grade 8, 9, 10: Kaluthara District Creative Writing - 3rd Place (Dhampasal Tharaga Division)
 - Kottasa Competition: Consistent excellence (Grade 8, 9, 10: 1st Place achievements)

VOLUNTEERING & SOCIAL CONTRIBUTIONS

- Active Youth Community Contributor - 5+ years of dedicated community service
- Engaged in various social development and educational outreach programs
